

MADANI NEWS

May 2023

Check out the highlights from our civil society organization (CSO) partners in May – a civil society Jamboree in Banten to strengthen the capacity of CSOs, a MADANI-hosted seminar on the Organizational Performance Index, and the donation of an industrial-grade plastic shredder by a state-owned company. Also, don't forget to read our impact stories about increased government trust towards CSOs in Sumenep, the key role of CSOs to push inclusive education in Singkawang City, and a multi-stakeholder approach to solve waste problems in Gresik. Happy reading!

EVENT

[Exclusive Report: Knowledge Sharing on Civil Society, Organizational Development](#)

During the event, speakers shared their in-depth knowledge and experience related to how they used the OPI in their work with MADANI, as well as explored how the tool can be used more broadly to strengthen the capacity of CSOs in Indonesia. The event opened new doors among like-minded organizations to the possibility of more government institutions, CSOs, and other development partners to adopt or scale up use of the OPI.
